**Dear Mr. Know-It-All, I'm looking for a personal stylist in Hong Kong. I need to revamp my look and need some advice on make-up and styling. – Feeling Frumpy**

Frankly my dear, Mr. Know-It-All is astonished at your inability to find a personal stylist in what is very possibly the most image-conscious city in the world. Then again, if you look as bad as you say, I won't blame you for never leaving the house. Fix that frump up by enlisting the services of Alexandra Menzel, image consultant extraordinaire (9127-3371, AlexandraMenzel1968@yahoo.de). There's also Eve Roth Lindsay at Savvy Style, who offers color analysis and style consultation sessions (Savvy Style, 210 Sheung Sze Ean Rd., Clearwater Bay, 2719-9674). You may need the help of both.
