

Refreshing Cleanser – HK \$300
200ml

This gentle lightweight cleanser removes makeup, dirt and other impurities. Cucumber Extract soothes as it refreshes while Hawaiian White Ginger and Algae Extracts soften and smooth skin.

Why you need it:

Removes surface impurities and makeup

Primary Benefits:

- Deep cleans and soothes
- Hydrates to leave skin soft

Additional features and ingredients:

- Great makeup remover
- Gentle enough for daily use

Essential-C Daily Renewal Complex® - HK \$870

30ml

This powerful anti-aging formula is clinically proven to decrease fine lines by 17% after one application and to reduce the signs of photodamage by 46% in 4 weeks. Essential-C Daily Renewal Complex delivers a maximum dose of Vitamin C to protect and repair skin. The anti-aging effects of Vitamin C are amplified by our patented Skin Repair System to improve skin elasticity, stimulate collagen synthesis, improve skin clarity and provide powerful antioxidant protection. A must-have for reformed sun worshippers.

Why you need it:

Repairs existing photodamage and fortifies skin against future damage

Primary Benefits:

- Clinically proven to decrease fine lines by 17% after one application
- Reduces the signs of photodamage by 46% in 4 weeks

Additional features and ingredients:

- Vitamin C and Retinol work together to fade unwanted pigmentation and restore clarity
- Retinyl Palmitate exfoliates to reveal newer, younger skin
- Vitamin E soothes and boosts antioxidant value

Essential-C Eye Cream SPF 15 – HK \$590

15ml

Our patented Skin Repair System stimulates collagen synthesis to help renew the delicate eye area. Caffeine and Tiger's Herb increase elasticity and firm skin, while light diffusers soften the appearance of fine lines and dark circles.

Why you need it:

Protects and hydrates the delicate eye area

Primary Benefits:

- Restores youthful elasticity and firmness
- Softens the appearance of lines and dark circles

Additional features and ingredients:

- Caffeine helps reduce under-eye puffiness
- Shorea Stenoptera Butter delivers intense hydration while preventing moisture loss
- Broad spectrum sunscreens protect against damaging UVA/UVB rays

Essential-C Day Moisture SPF 30 – HK \$680
50ml

Increased Vitamin C power and SPF in Essential-C Day Moisture SPF 30 provide powerful protection against environmental damage. Next generation Vitamin C and the patented Skin Repair System improve radiance, firmness and elasticity.

Why you need it:

Powerful antioxidant-rich sunscreen shields and restores environmentally stressed skin

Primary Benefits:

- Blocks UVA/UVB rays to prevent sun and free radical damage
- Improves skin's barrier function to maintain optimal hydration

Additional features and ingredients:

- Phospholipids and conditioners provide optimal hydration for environmentally stressed skin
- Ectoin preserves hydration to optimize skin's appearance and barrier function by reducing transepidermal water loss

Essential-C Night Moisture – HK \$580
50ml

Essential-C Night Moisture's rich Shea Butter delivers instant hydration that lasts throughout the night. Our patented Skin Repair System restores a youthful look to environmentally stressed skin. Essential-C Night Moisture also delivers increased elasticity and firmness by encouraging collagen synthesis while Vitamin C neutralizes damaging free radicals and brightens skin.

Why you need it:

Encourages healthy cell renewal to reveal younger-looking skin overnight

Primary Benefits:

- Reduces morning creases
- Neutralizes toxins and fights free radicals

Additional features and ingredients:

- Phytolipids help to bind water to the skin for maximum hydration
- Vitamin A encourages cell renewal
- Grape Seed Extract and Vitamin E provide powerful antioxidant protection

Age Spot & Pigment Lightening Gel – HK \$550
30ml

Quickly diminish freckles, age spots and other unwanted pigmentation with Age Spot and Pigment Lightening Gel's dual action formula. Hydroquinone, the strongest skin lightening agent available without a prescription, fades discoloration. AHAs exfoliate to improve the penetration of Hydroquinone and encourage cell turnover to accelerate the migration of dark spots to the skin's surface where they can be lifted away.

Why you need it:

Fades sun spots and age spots and improves clarity by lifting away dark, damaged cells

Primary Benefits:

- Powerful skin lightening agents even skin tone
- Exfoliants restore clarity

Additional features and ingredients:

- Improves skin clarity and tone
- Anti-inflammatories Licorice and Allantoin ease irritation

Active Radiance® Serum HK \$1,180

30ml

This clinically proven, environmental aging treatment protects and repairs skin with a remarkable new Vitamin C technology that delivers 50 times the free radical neutralizing power of prior generations. This unique formula provides superior all-day protection against environmental aggressors that assault skin every day. Active Radiance Serum helps to restore tone and smooth texture and is clinically proven to improve skin firmness by up to 63% in just 15 minutes.

Why you need it:

Boosts your skin's natural defense against sun damage while encouraging repair of existing damage

Primary Benefits:

- Improves natural radiance and clarity
- Smoothes skin to restore youthful texture and tone

Additional features and ingredients:

- Resilient-C Complex™ maximizes collagen production and skin brightening while providing all-day free radical protection
- Ectoin jump starts the cellular defense system by helping cells resist drastic environmental stresses including UV exposure and chemical aggressors
- AHAs and Myrtle Extract encourage new cell growth and help boost cell vitality

Skin Perfecting Lotion – HK \$340

50ml

Pores are minimized as texture is refined by this ultra-light, oil-free moisturizing formula. Queen of Meadow and Algae Extract penetrate to clear pores and reduce sensitivity. Retinol encourages healthy cell turn-over while Arnica soothes irritation. 92% of users experienced a reduction in acne breakouts in just 3 days*

Why you need it:

Delivers oil-free hydration without clogging pores

Primary Benefits:

- Minimizes pores and refines texture
- Soothes redness and irritation

Additional features and ingredients:

- Fragrance-free formula won't irritate skin
- Soy Flour helps skin maintain youthful elasticity
- Honey Extract tones and tightens

Perfecting Day Cream SPF 30 – HK \$410

50ml

Provides essential hydration and broad spectrum sun protection to dry skin. Moisturizers restore suppleness and ease lines while powerful antioxidants boost protection against free radical damage.

Why you need it:

Delivers maximum moisture and maximum protection

Primary Benefits:

- Restores suppleness and softens lines
- Protects against damaging UVA / UVB rays

Additional features and ingredients:

- Essential fatty acids provide superior hydration
- Soy Flour increases elasticity
- Lecithin helps lock in moisture and prolongs hydration
